

Nearing End Of Bowling Season

Owing to the short evenings, no more games will be played at night, the regular days on the greens will be Monday, Wednesday, Friday, and Saturday at 2 p.m.

It is hoped that we will be able to continue bowling until the end of the present month, or even later, after which work will be started on the greens for the next season. The many visitors, and members of the Senlambush Club fully appreciated the good things that were supplied by Mrs. Callotbank, the hostess on Wednesday afternoon, who certainly went to no end of trouble to see that all were taken care of.

Our visitors for this week were: Mr. and Mrs. Bradshaw, of Nanaimo, Mr. and Mrs. Woolner, of West Point Grey, Mr. and Mrs. McKenna, of New Westminster, also Mrs. Haney, Mrs. Matheson and Mrs. Beirnam, of Vancouver.

Sorry to say that Mr. A. Laughton, of the Keriadale Lawn Bowling Club, has left for home, as we all enjoyed his visit, and look forward to his return at an early date. Mr. Laughton takes with him an invitation to all the members of his club, to visit us at any time during the bowling season. One of his remarks (which were many) was: "the lawn bowling at White Rock surely rounded out a most enjoyable vacation. This is a good advertisement for our town."

GRAHAM-WHITMAN

Their wedding in the John Buchan Memorial church, White Rock, took place Friday evening, September 17th, at 5:30 o'clock, when Lila Marie, eldest daughter of Mr. R. D. Whitman and the late Mrs. Whitman, was united in marriage with Mr. Robert Stuart Graham, eldest son of Mr. and Mrs. John Graham, of Meridian road. The church was beautifully decorated with ferns, gladioli, dahlias and hydrangea. Rev. A. I. Macintosh performed the ceremony, and the church organist, Mr. Ferguson, supplied the wedding music.

The bride, given in marriage by her father, wore a floor length gown of white sheer, embroidered girle, and shoulder veil arranged in fish fashion. Her bouquet was of pink and white roses and maiden sweet peas. As matron of honour, Mrs. J. A. Crutchley chose rose pink taffeta with blue veiled daisies, and carried yellow carnations and fern.

Mr. Eric Bryan was best man, Mr. J. A. Crutchley and Mr. Leslie Graham, brother of the bride, acted as ushers. During the signing of the register, Miss Mavis Graham sang "O Perfect Love".

A reception was held in the White Rock hotel, where Mrs. J. O. MacMillan and Mrs. Adams, sister of the bride, were hostesses. Little tables were decorated with pink sweet peas, and a three-tiered cake occupied a place of honor.

Before refreshments were served, Mr. J. D. MacMillan presented the happy couple with a handsomely bound Bible from the Church, and the groom responded suitably to the brief address. Mrs. Watson handed the bride a cheque from the Ladies' Guild, of which body she is an active member. After the delicious refreshments, had been partaken of, Mr. Macintosh proposed a toast to the bride and again the groom thanked the guests for their good wishes.

Mr. and Mrs. Robert Graham left by motor for Vancouver, and on their return from the honeymoon, will reside at White Rock.

THE ENGLISH PRINCESSES
Princess Elizabeth and Princess Margaret Rose

The vice-president, Miss Dorothy Crane, occupied the chair at the meeting of the Red Cross on Monday afternoon. A hearty vote of thanks was accorded Mrs. J. W. Barr for the use of her beautiful garden for the mid-summer tea. All who donated articles for sale or for prizes were also thanked. The treasurer, Mrs. W. J. Moffat, reported that \$40.85 had been remitted to headquarters.

The work room report, made by Mrs. Herbert Polley, stated that 431 garments had been made by the headquarters. She also reported that surgical dressings department under the supervision of Mrs. H. Upton and Mrs. Lewry, was well organized with about twenty volunteer helpers. Regret was expressed at the loss of an able worker, Mrs. W. Williams, who is leaving soon to return to Fruitvale. Mrs. Williams has acted as cutter for nearly a year and has done much valuable home work. A hearty vote of appreciation was passed.

Mrs. John Sinclair was appointed Nasion officer for the Junior Red Cross. Mrs. John Nelson reported on the collection of "Housewives" which had been highly successful.

One woman made eleven of these bags. Both men and women have been generous with cash donations. Material for the bags and articles for filling are still acceptable. If a small village like Nanaimo, can supply a 100, White Rock should more than double that number. Please see Mrs. Nelson or enquire at the work rooms regarding what you can do for this urgent need.

The meeting extended sympathy to Mrs. Polley in her recent severe illness. Mrs. W. J. Hawley and Mrs. Andrew Edwards directed the work in her absence.

WHITE ROCK HONOR ROLL

A meeting is called for September 29th, at 8 p.m. sharp in the White Rock hotel. Please come and bring any new names you may have.

WHIST DRIVE

Next Monday evening and Monday night at 8 p.m. at the Legion are women. Lunch served. Good Prizes. Please bring your own sugar.

Ship V Bundles

The White Rock Women's Institute met with Mrs. Ada Shaw at her home on Kerfoot road on Tuesday afternoon. Mrs. L. G. Higgins presided. The secretary, Mrs. F. L. T. Friend, reported on two executive meetings held during the summer recess. At one of these the resignation of Mrs. Higgins was accepted with regret. The meeting expressed its appreciation of her work by a standing vote of thanks and by personal tributes of individual members.

The roll call was answered by remarks on the sugar shortage. A vote of thanks was passed to Mrs. E. Jolly, of Chilliwack, who has again contributed a collection of skillfully fashioned garments for Russian Relief. A letter from Tom Reid, M.P., and one from H. Thompson, of the Rationing Board, acknowledging enquiries regarding sugar shortages, left the meeting no later. Mrs. Shaw who has been appointed chairman of the Women's Auxiliary for "Kensington House" gave a report on the present status of the project. Mrs. Lashley Hall was appointed as Institute representative on the Auxiliary.

Interesting high lights were given by Mrs. Shaw on two the same meetings of the Consumers Council held in Vancouver. It was voted to continue her as representative. Mrs. E. J. Perry was asked to act as convener for the card party to be held in the Legion hall on September 21. The secretary was asked to write for information re make, over clauses now being held in Vancouver and to see if such service may be extended to rural districts.

Mrs. M. M. Murphy gave a report for V Bundles which showed what excellent results have been accomplished. Four large cartons have been shipped during the summer. It was voted to make Mrs. T. N. Reid an honorary member as a token of appreciation of her monthly gifts of infants' wear for V Bundles. Mrs. W. B. Bradshaw was welcomed as a visitor and in response presented the V Bundles with a number of useful articles.

A table covered donated by Mrs. J. T. Green before her departure for San Francisco, was voted raffled. Mrs. A. V. Sharpe was appointed delegate to the annual Conference of the South Fraser Valley Institutes at Langley Park, October 5, and 6. Mrs. Shaw announced that the White Rock Institute has now the largest paid-up membership in British Columbia.

Board Of Trade Favors Incorporation Of W. R.

A great deal of information was gathered by the committee of the Board of Trade appointed to get facts and figures in regard to incorporation. This report which was given at the first meeting of the Board after the holiday season, Tuesday night at the White Rock hotel, presented in detail the taxes collected for the years 1932 and 1942, and comparing this area with other incorporated areas, such as Smithers, Mission, Creston and Stewart. Under this fund of information the committee recommended that all possible steps be taken to incorporate this district.

Mr. Marshall occupied the chair while Mr. Lemieux read the report, and the committee were thanked on a motion by Mr. Frank, seconded by Mr. Raftern-Canning, for the work and comprehensive manner in which it was made out.

In the discussion that followed the reading of the report it was evident that the members as a whole were in favour of incorporation, and it was also suggested that copies of the report be given

to all organizations and societies in White Rock to give a larger number of people an understanding of the findings of the committee.

Mr. Lemieux, the president, as a member, moved the resolution, seconded by Mr. McGrath, that the Board of Trade was in favour of making this area into a separate municipality.

Information as to the rentals on the Indian Reserve was also given out, this was the first time the real facts had been obtainable.

About thirty members were present at this meeting, and one new member was welcomed, Mr. Henderson. The treasurer's report gave the sum of \$52, on hand.

Mr. McGrath, of the Public Health commission mentioned that there were two dates set for the bus to take blood donors into Vancouver, October 29th and the other to be decided on later.

Pacific Stage Lines are to be asked to put up Bus Stop signs at station, and it was also suggested that copies of the report be given

Holy Trinity W. A. Start Preparing For Busy Season

Reviewing summer activities and preparing for others in the Fall kept the members of Holy Trinity W. A. actively interested, when they held their first meeting of the season, in the Parish hall on Thursday, September 16th, with the president, Miss D. Crane, in the chair.

The members have reason to be thankful for the excellent result of their annual Bazaar held in August, some of the proceeds from which, enabled them to gain their objective of painting the Rectory. This work has been well carried out and is a tremendous improvement to the church property. The purchase of material for purple altar hangings was made possible, much to the gratification of the members.

Plans were made for the decorating of the church for Harvest Thanksgiving Services to be held on Sunday, October 3rd. Donations of flowers, fruit and vegetables will be a great appreciated asset should be at the church as early as possible on Saturday morning.

Plans were also made and committees formed for the Harvest Supper to be held on Wednesday, October 13th, in the Parish hall at 6:30 p.m. An excellent request is being prepared and members are looking forward to a busy evening.

The Yule Deceany Clergy are meeting in White Rock on Tuesday and Wednesday of next week, September 28th and 29th, and the W. A. will undertake to provide lunch, even for them on the second day.

Prayer Partner secretary, Mrs. J. Cox, read an interesting letter from Miss M. Miller, who has now married and while still in Ahwast, has left the school work to take up home duties. Mrs. Jeffcott was able to report having attended a Diocesan Board meeting while in Vancouver recently and gave the members a few of the highlights of the annual Conference, an address by Miss Holladay, who has just returned from an extensive trip to the East on Chinese demerit work.

The President announced with regret the resignation of Mrs.

Patterson, Junior Superintendent and appealed for more earnest interest in the work of the Juniors by the members. A new Girl's Group is to be formed by Mrs. M. W. Mitchell, while Mrs. M. Hawkshaw will take charge of the Juniors. The Little Helpers annual service is to be held in October (official date later) when it is hoped the Diocesan Secretary will be present and the Baptismal Roll dedicated.

Members are asked to bring their boxes to the Thank Offering secretary, Mrs. G. Glass, at the next meeting, October 21st. The meeting concluded with prayer.

ENGAGEMENT

An interesting announcement is made today by Mr. and Mrs. William D. Piercey, Armadale, of the engagement of their only daughter, Joyce Catherine, to Roland Douglas Downey, R. C. N. V. R. youngest son of Mrs. Downey and the late Albert E. Downey. White Rock, B. C. Miss Piercey is a graduate of Dalhousie University where she received her Bachelor of Arts degree and degree in Education. She has been a teacher at the Joseph Howe School for the last three years. Mr. Downey, an engineer, was a business man in British Columbia, before enlisting as a chief motor mechanic in the Royal Canadian Naval Volunteer Reserve.

The wedding has been arranged to take place Saturday, September 25th, in Bethany United Church, Armadale. The young couple will spend their honeymoon at the home of the groom's mother, Mrs. A. E. Downey in White Rock.

Sgt. Lloyd Smithman is home on leave, and has got word that he has received his commission as a Pilot Officer. Lloyd is making good progress as he has not long joined up and is not yet 21 years old. He saved his oldest brother, Ted, on his way home. Ted is an Inspector of parts at an R.C.A.F. Repair Depot in the east. Another brother, Brian, is with the R.C.A.F.C. in Nova Scotia.

Confidence

The other day when things were rather critical on the Salerno front, we overheard a conversation in which one man was talking as if everything was all up, and that the Allies would be driven into the sea. It was said in a very pessimistic strain.

We thought at the time that it was a good thing that no more heard it. It is the kind of talk that tends to destroy confidence, and so weaken morale.

We need confidence, no matter how bad conditions may appear. What would Britain have done in those dark days, if she had not retained her confidence that she would finally pull through? Of course, one can be over-confident too, and inclined to relax a little, when we should be continually on the alert, lest through a slight error we may lose what we have gained.

We need confidence more than ever now, to uphold the parents of the boys and girls who are now in the front line; for though we have made gains, casualties have not been large so far, but there is a long and hard part yet to go, when casualties will mount up a great deal more. Nevertheless, let us hold on to our confidence that brighter days are ahead.

Theatre News

You will see The Moon Is Down at the beginning of the week. One of the greatest stories of our time becomes one of the greatest pictures of all times. Its fury and power comes from the flaming spirit of those whose hope and strength cannot be crushed. Henry Travers as mayor Orden, the Norwegian patriot, who will not become a Quisling in spite of the pressure brought to bear upon him, gives a remarkable performance, also Sir Cedric Hardwicke, Lee J. Cobb and Doris Bowden.

Also It Comes Up Love, Singing, dancing and romancing. When a hep guy and swing music transform an old-fashioned girl into a streamlined hussy. With Gloria Jean, Ian Hunter and Donald O'Connor.

For the end of the week there is China Girl. George Montgomery is a newsreel cameraman taken in hand by the Japs, who want to get pictures of the Burma road. The slick-eyed chief makes a deal with the cameraman, but also conveniently arranges for his escape from the danger. He is tipped off to the plot, falls in love with Miss Tierney and also Cat People. It deals with a girl from Serbia, obsessed with the idea that she carries the curse of her people. This curse springs from the evils of her ancestors and turns women into huge cats who destroy the men they love. With Simone Simon, Kent Smith, Tom Conway and Jane Randolph.

Also News and Cartoon.

Monday afternoon the plane crash between White Rock and Crescent was seen by some from here, the tail was seen to break away before it nose dived. It was soon found by searchers in the district, having come down without knocking any trees down.

SURREY COUNCIL

A somewhat light agenda on Monday last at the Surrey Council. Some land sales. A few ditch troubles; some not a municipal responsibility.

George Cruikshank, M.P., advised the Council that he will draw the attention of the Government to the need of more care in handling Japanese farms, suggesting a longer lease, as no farmer will take proper care of a berry farm on a one year lease.

The Employees' Mutual Benefit Association suggested consideration of a scheme to insure the Municipal employees and their families for complete medical, hospital and nursing expenses.

The water committee complained of the hold up in getting water to the people on the King George Highway. The engineer stated that cement was held up by the Government authorities. A suggestion was made that some cement in the Municipal yard intended for new fire halls might be used for the water scheme; also the possibility of getting material from the U. S. A.

It is quite possible that the new Medical Plan for Old Age Pensioners and others included in the plan may have to be given up because of failure of New Westminster doctors to co-operate. It has also been found that the White Rock resident doctor does not send in his reports.

In connection with the Salvation Army appeal for funds, the clerk, J. G. Farmer, will act as Municipal Treasurer; and arrangements have been made for the people in the White Rock area to hand in their subscriptions to Mr. David Huggins. It is hoped that there will be a generous response without the need of a general canvass.

Presbyterian Church Notes

A patriotic service will be held next Sunday in the churches of this field. "The Church and the New World Order" is the sermon topic.

The J. B. M. Young People's Group meet at the home of Miss Carder next Tuesday.

Rev. A. I. Macintosh is on holidays this week, the guest of Rev. and Mrs. McTurk, of Kamloops.

GENS OF THOUGHT SILENCE: ITS VIRTUE

"Silence never shows itself to so great an advantage as when it is made the reply to calumny and defamation." —Addison.

"There is an eloquent silence; it serves sometimes to approve, sometimes to condemn; there is a smothering silence; there is a respectful silence." —La Rochefoucauld.

"Silence is the safest respondent for all the contrivances that arise from impertinence, vulgarity, or envy." —Zimmerman.

"No reproach is so potent as the silent lesson of a good example." —Mary Baker Eddy.

"Silence is the element in which great things fashion themselves together; that at length they may emerge, full-formed and majestic, into the delights of life, which they are thenceforth to rule." —Carlyle.

LEGION NOTES

The Legion and W. A. draw for the \$25 War Certificate was held on Monday, September 20th, at the Pier rooms. The lucky ticket was No. 195 held by Sid Niles, of 566 Georgia E., Vancouver.

The Legion and the W. A. wish to extend their sincere thanks to all those who gave support to this worthy cause. The draw had a three way objective.

First: It helped the Government by the purchase of war stamps.

Secondly: It was a profitable investment for the winner.

Thirdly: It helped to send to our Girls and Boys overseas Christmas Comforts.

Members of the Legion are reminded of the meeting called for Wednesday, September 23rd, to be held in the Pier rooms at 8 p.m. to deal with the rehabilitation question. All others interested are invited to attend.

All Legion and W. A. members are reminded to supply Mr. H. Suthren, secretary of the Legion, P.O. Box 59, the number, unit rank and address, who have husbands, sons and daughters overseas. The deadline for this information is September 30th.

On Saturday Capt. and Mrs. Hassall received a cable from their son, Percy, in North Africa intimating that he might be going to the Italian front.

Mr. Ralph Smith and infant son, Ralph, moved Wednesday of this week to Victoria, where her husband is with the R.C.N. V.R.

The SNAPSHOT GUILD
RAIN AND FOG

Don't leave your camera on the shelf when bad weather keeps others indoors. You may produce a picture equal to this nationally famous prize winner.

NATURALLY, most of us prefer fine weather for our picture taking outdoors. However, in our enthusiasm for sunshine, it's not wise to overlook the beauty in certain other moods of weather—the glow of light through mist and fog, the sparkle of rain-wet streets, reflections in after-the-shower puddles, even raindrops hanging like diamonds from twigs and branches of the trees. If you're alert you'll find many possibilities in "bad" weather, and each will add interesting items to your picture collection.

It's not necessary to get soaking wet either. You'll find the best rainy-day opportunities shortly after a rain, or between showers, or you can shoot from the shelter of a window or doorway.

However, remember this: On rainy days and foggy mornings, light is weak and you'll have to adjust your exposure accordingly. Load your camera with high-speed film, and you will be able to get satisfactory rainy-day shots of average subjects at about 1/25 second at f/11 or f/8.

This picture should point out a moral for every photographer. Don't let bad weather keep your camera on the shelf. Load it up, take it out whenever it looks as if "bad weather" pictures are available—and you'll find that extremely interesting snap shots are yours for the taking.

BUSES ARE MATERIEL OF WAR

It's most unfortunate that practically everything
that goes into the building, maintenance and
operation of a bus is "materiel of war." Rubber,
gasoline, motors, steel and mechanical skill.

But this is only half the problem. Wartime
conditions place an extra load on transit. More
passengers must be carried than ever before.

You can help yourself and others by travelling,
when possible, during slack hours, avoiding
travel during holidays and week-ends.

With your co-operation, we'll "keep 'em rolling."
